# TYCO FOR SURE

A Tyco Electric Racing Set or a Tyco Electric Train Set is your entry into a whole world of fun. For more than fifty years, we have dedicated ourselves to bringing you quality products that are fun to play with, and satisfying to grow with, at fair prices.

And we are also dedicated to bringing you the newest and most exciting developments in trains and racing!

Our new Chattanooga Choo Choo, for example. The train all America loves is now even more fun and colorful with box cars that remind you of traditional America—at even greater value than ever before.

And our brand new "Comin' Round the Mountain" set: more cars, more fun features, more things for the youngsters to play with than you've ever seen in one popular priced set.

And then there's the latest development in racing: Nite Glow. The excitement of night racing with sets that glow-in-the-dark; a fun innovation that will maintain excitement throughout the year.

There's even more excitement when you add double loops for all the thrills any racing set ever had. And home racing never looked as good as it does with our new Silverstreak Curvehugger cars.

So welcome to our world. Take your choice. Whatever you decide to buy, you can count on Tyco For Sure.

## LAYOUT EXPANDER SYSTEM

With Tyco's Layout Expander System you can build this exciting Railroad Empire in 4' x 8' of space—and—you can do it in easy stages—Each component is available individually. Every component is performance matched to the layout.—The more you add—the more fun you have. With the complete Layout Expander System, you can operate up to four trains. (You can control two trains at a time independently, and you can switch any of the four trains among any of the three mainline tracks. You have remote control switching, blocking and uncoupling—unload freight—logs, ore, crates, pipe by remote control.—Even a piggyback trailer. The easiest way to start your Railroad Empire is with the Track Layout Expander (Stock #7902). Here in one package is everything you need to expand any circle of track to a 4' x 8' double oval track layout, wired for 2-train operation (one train at a time with a single power pack). The Instruction Manual is included.

## RACING CARS

# CURVE HUGGERS

### CARS THAT CORNER FASTER BECAUSE THEY REALLY HUG THE TRACK

A great concept in racing cars. CURVEHUGGERS outperform all other cars! CURVEHUGGERS give championship performance, better traction and fewer spin-outs, because they really hug the curves. CURVEHUGGERS set a new standard of performance on all HO racing tracks.
